As property owner, I certify that this building will be used solely for agricultural purposes as defined in the Right to Farm Act (Act 93 of 1981). I understand if this building is used for any other purpose it may require a change of use permit, current building permit, and would need to be brought into compliance with all other codes in effect at the time of (and for) the change of use. I also certify that the location of the property lines is true and correct as identified in the site plan submitted to the Zoning Administrator. If the location of the property lines is incorrect, I am responsible for identifying the property lines and moving the building if necessary.
