

LESLIE TOWNSHIP
CONSTRUCTION REQUIREMENTS FOR

AG BUILDINGS:

Please submit the following:

- Soil & Erosion Permit/Waiver from Ingham County Drain Commission (517)676-8395 www.inghamsesc.org
- Agricultural Zoning Approval form with site plan
- Property Line Verification form
- Driveway Permit from Ingham County Road Department if no existing driveway.
- Installation of electricity must be approved by the Zoning Administrator. If approved, then an electrical permit application and application fee must be submitted before a permit can be issued.

~ Contact **Miss Dig (811)** before starting any excavating

~ A site inspection will also be scheduled once the required documents have been submitted.

~ Be sure your address is highly visible from the roadway to ensure the Leslie Township Zoning Official is able to easily locate your property.
