

## LESLIE TOWNSHIP DEMOLITION PERMIT REQUIREMENTS

### FOR ACCESSORY BUILDINGS

#### Barns, detached garages or other out-buildings:

**To obtain a demolition permit you will need to do the following:**

1. Submit a completed Demolition Permit Application along with a site drawing. Your permit will expire 6 months from date issued.
2. Provide proof of ownership.
3. Provide proof of utility disconnection if applicable: electricity and/or gas.
4. Contact MISS DIG (call 811 or online at [www.missdig.org](http://www.missdig.org)) before excavating.
5. Provide documentation that hazardous or contaminated materials, asbestos, underground storage tanks, etc., have been disposed of properly.
6. Please note: **Demolition material cannot be burned or buried on site.**
7. Foundation walls must be leveled & basement filled and leveled.
8. Provide written confirmation to Leslie Township Assessor when demolition has been completed.
