

LESLIE TOWNSHIP CONSTRUCTION REQUIREMENTS

RESIDENTIAL POLE BARNs – POLE BARN ADDITIONS

DETACHED GARAGES – ACCESSORY BUILDINGS:

STRUCTURES UNDER 200 SQ. FT. DO NOT REQUIRE A PERMIT

Please submit the following:

- Soil Erosion Waiver from Ingham County Drain Commission (517)676-8395 or <http://dr.ingham.org>
- Completed Building Permit and Plan Examination application
- Contact MISS DIG (call 811 or online at www.missdig.org) before beginning any excavating or digging
- Completed Pole Barn Specification form
- Property Line Verification Form
- Proof of ownership (property tax statement, etc.)

- ~ Location of proposed building shall be properly staked so the Zoning Official is able to complete a site inspection.
- ~ Property address should be highly visible from the roadway so Leslie Township inspectors may easily locate your property
- ~ If proposed building will be on vacant land: an ***“Affidavit for Accessory Buildings on Vacant Land”*** form must be submitted.
- ~ Driveway permit from Ingham County Road Dept. (517-676-9722) must be acquired if an accessory building is being built on vacant land which has no driveway.
- ~ Leslie Township Zoning Official will issue an address for the vacant land.

**NO ELECTRICAL PERMITS WILL BE ISSUED FOR
ACCESSORY BUILDINGS ON VACANT LAND!**
