## Roll call vote, all ayes, motion carried.

Feazel reported Supervisor/Zoning Administrator Henney is unable to participate in the MERS defined benefit pension program as he is currently drawing a monthly benefit from that plan. The township will continue to contribute the 10% for those positions but the employee portion will go unfunded and the remaining employees in the program will have their rate re-evaluated to reflect the decreased amount of contribution.

Deputy Torrez gave a monthly report on the activity in Leslie Township (written report filed with correspondence). The Board expressed appreciation for his attendance.

Wade reported the next Woodlawn Cemetery meeting will take place on February 16, 2022.

Henney reported Chief Howe is currently in a rehabilitation facility and is expected to fully recover from a recent stroke. In addition, the paperwork has been finalized for the new tanker purchase.

Henney reported the special planning commission meeting scheduled for January 19, 2022 has been cancelled due to Coronavirus concerns.

Motion Ward, support May to adopt Resolution 21-22-8 - Poverty Guidelines. Roll call vote, all ayes, motion carried.

Motion Ward, support May to adopt Resolution 21-22-9 - Summer Tax Collection. Roll call vote, all ayes, motion carried.

Correspondence from the Michigan Secretary of State stated according to the most recent United States census Leslie Township is eligible to become a charter township as they have a population over 2000.
